

Ownership and AI Stations

Make a copy of the [activity guide](#) to get started:

- Walk around the classroom to explore different scenarios.
- At each station, answer the questions using sticky notes.
- Use your activity guide to record where you placed your notes and jot down any key takeaways from the discussions.

Station Instructions

1. Note in the spaces below where you placed your sticky at each station with an "X".
2. Share your thoughts on your placement **and** the follow-up question at each station and get signatures after discussing.
3. Make yourself any notes you want to remember about each station, such as an idea you or someone else had that you liked and want to remember as you get ready to make your Values Statement.
